2017 FAE Fall Forum Schedule, Courses, and Speakers

Carestream DENTAL

FRIDAY, NOVEMBER 3, 2017

7:00 AM — Exhibitor Registration

8:00 AM — Attendee Registration / Breakfast / Exhibitor Time

9:00 AM-12:00 PM — Nestor Cohenca, DDS, FIADT
Clinical Applications of Localized Field CBCT in Endodontics: Time to Change Strategy! Part 1 (3 CE)
Sponsored by Carestream Dental

Endodontic therapy depends on diagnostic radiographs and image-guided treatment. Focused Field Cone Beam Computed Tomography (CBCT) is a new technology that produces a three-dimensional digital image at a reduced cost and radiation for the patient comparing to any other 3-D imaging system. It is designed to allow for high resolution imaging of the hard tissues of the maxillofacial region with a faster and easier image acquisition. By providing a 3-D representation of the maxillofacial tissues in a cost and dose efficient manner, a better preoperative assessment can be obtained for diagnosis and treatment; thus, increasing the outcome of the therapy and avoiding further complications. In this lecture, Dr. Cohenca thoroughly illustrates and reviews clinical application of Focused Field CBCT technology for the endodontic practice. (Part 1 of 2)

There will be a mid-morning break in the exhibit area.

12:00-1:15 PM — FAE Business Meeting Luncheon

In order to attend the Business Meeting Luncheon, please indicate that you wish to attend on your Meeting Registration Form.

1:30-4:30 PM — Nestor Cohenca, DDS, FIADT
Clinical Applications of Localized Field CBCT in Endodontics: Time to Change Strategy! Part 2 (3 CE)
Sponsored by Carestream Dental

In the second part of this two-part lecture, attendees continue to understand the clinical applications of CBCT in the endodontic practice, review the potential benefit of CBCT technology for diagnosis and treatment plan; and discuss the impact on treatment outcome and improve predictability.

There will be a mid-afternoon break in the exhibit area.

5:00-6:00 PM — FAE Reception

Join your peers for a relaxing time to unwind and catch up!

In order to attend the FAE Reception, please indicate that you wish to attend on your Meeting Registration Form.

BRASSELER USA®

SATURDAY NOVEMBER 4, 2017

8:00 AM — Attendee Registration / Breakfast / Exhibitor Time

9:00 AM-12:00 PM — Samuel Kratchman, DMD
Anatomically Directed Endodontics (3 CE)
Sponsored by Brasseler USA

The biologic mandate of successful endodontic treatment outcome is a healthy apical periodontium and long-survival of the tooth. These objectives are achieved by meticulous disinfection of the root canal space, avoiding excessive removal of dentin, and optimal sealing of the root canal and coronal spaces.
The XP family of endodontic instruments has been modeled to achieve a fusion of technology and biology that integrates all variables essential for predictable endodontic success. The super elasticity and shape memory of the alloy used in XP instruments facilitates expansion and adaptation into canal morphology where traditional in-the-round NiTi files are unable to reach with any margin of safety. This enables maximal debridement and disinfection without changes to the original canal shape and ensures minimal removal of intra-canal dentin. This ultra-conservative root treatment can then be filled using bioceramic technologies that do not require excessive preparation preparation in the coronal component of the root canal space to accommodate obturation procedures.
In this presentation, Dr. Kratchman emphasizes the biologic essentials of long-term successful endodontics. Evolutionary strategies using new generation instrumentation and root filling technologies are discussed. The treatment parameters discussed for vital and non-vital teeth will prevent or resolve apical periodontitis, thereby ensuring the long-term survivability of the tooth. The endodontic restorative synchronicity resulting from ultra-conservative root treatment is now the default position of rehabilitation and further adds to the return of the treated tooth to its functional and harmonious integration in the dentition.

There will be a mid-morning break in the exhibit area.

2017 FAE Fall Forum Speakers

Nestor Cohenca, DDS, FIADT DDS degree, National university of Asuncion, Paraguay; Cum Laude, Best Graduate Student Award, Hebrew University in Jerusalem endodontic program; past Clinical Assistant Professor/Coordinator of Trauma and Sports Dentistry, University of Southern California; Endodontic Certificate, University of Washington; Associate Professor, University of Washington; Associate Editor and Board Member, Dental Traumatology Journal; Private Practice; fluent in Spanish, Portuguese, Hebrew

Samuel Kratchman, DMD DMD degree, Tufts University; Endodontic Certificate, University of Pennsylvania; Associate Professor of Endodontics/Assistant Director of Graduate Endodontics (Microsurgery), University of Pennsylvania; Developer, S Kondenser; Endodontic Private Practice

FAE reserves the right to alter the 2017 FAE Fall Forum schedule as deemed necessary, although all means will be taken to avoid this.

2017 FAE Fall Forum Registration Form

PLEASE REPRINT FOR MULTIPLE REGISTRATIONS

Name _____

Nickname for Badge _____

Address _____

City, ST, Zip _____

Phone _____ Fax _____

Email _____

Early Registration on or before October 13, 2017 (pick one):

_____ FAE Member $300

_____ Full Time Faculty/Resident $55

_____ FAE Non Member $430

OR Registration after October 13, 2017 (pick one):

_____ FAE Member $350

_____ Full Time Faculty/Resident $105

_____ FAE Non Member $480

Registration fees include courses, lunch, welcome reception.

Attending Business Meeting Luncheon?* ____ Yes ____ No

Attending Friday Reception?* ____ Yes ____ No

*Contact FAE Headquarters with dietary restrictions. Modified menus may incur additional fees for the attendee.

Payment method (circle one) Check Visa MCard AmEx

CC# _____ Exp date _____

Auth # (on back of card) _____ Billing zip _____

Name on card _____

Signature _____

Enclose check payable to FAE or complete credit card information and return with your completed registration form to the address listed below. Please see "Meeting Information" section of this brochure for information regarding meeting registration deadlines and cancellation information.

2910 Kerry Forest Parkway D4-222, Tallahassee, FL 32309 www.flendo.org

phone 850.894.0165 fax 850.391.9311 email endoflorida@gmail.com

Meeting Information

MEETING LOCATION The 2017 FAE Fall Forum will be held at the outstanding and upscale Hyatt Regency Orlando, located in the heart of the action at 9801 International Drive.

ROOM RESERVATIONS Reservations to the Hyatt Regency Orlando should be made by October 17, 2017 to get the FAE special block rates. Call the Hyatt at 888.421.1442, and refer to the 2017 FAE (Florida Association of Endodontists) Fall Forum. Special rates start at $164 per standard sleeping room night. Prompt room reservation is recommended, as there is a limited number of rooms at these reduced rates.

MEETING REGISTRATION Register for the 2017 FAE Fall Forum by October 13, 2017 to get reduced early registration rates. Registrations received after October 13, 2017 will incur a $50 late registration fee. Off site registration ends on October 27, 2017. Anyone who would like to register after October 27, 2017 must do so on site.

CANCELLATIONS All requests for cancellation or refund must be made in writing to FAE by October 3, 2017. A cancellation processing fee of $50 will be charged per cancelled registration. No refund will be given if a cancellation is received after October 3, 2017. No refunds will be given on site.
